

The South-West Region continues to reap National Success

In 2017 ESAA reorganised the county groupings meaning that the region has 'B', 'C' and 'D' group counties. We remain the only 'formalised' schools' region in the country.

This year has again been most successful (as seen by these statistics for the first time using three pages) for the region's counties on the national stage with numerous athletes gaining national honours and our teams winning national trophies.

2019 Statistics:
