

- One race remains in the race series with the following people heading the standings:
  - Anthony Bailey (men) and Kate Krzyweic (ladies).
- Two races were completed under time trial conditions with the remainder, to date, under mass start (gun time) conditions.
  - Bourton One Mile and Stroud Beer Race were under time trial conditions.
- The final race in the series (Guy Fawkes 5) is scheduled for Sunday 7<sup>th</sup> November. This should allow for ample time to determine the final standings and arrange for the trophies to be engraved.
- We (Arthur) seek to book the Civic Suite, North Warehouse, Gloucester Docks, for the presentation evening on Friday 14<sup>th</sup> January (from 7pm). Awaiting confirmation.
- A draft series for 2022 has been drawn up. This presently consists of 11 races as I hope to find a 5k, or similar, race to complete the twelve.
  - Failing this, I may use the Cranham Boundary Chase (5.8 miles) again.

Date		Race	Host (club)
Sun 23 <sup>rd</sup> Jan		Linda Franks Race (5 miles)	Almost Athletes
Sun 30 <sup>th</sup> Jan		Staverton 10	CLC Striders
Sun 20 <sup>th</sup> Mar		Gloucester 20	Gloucester AC
Sun 1 <sup>st</sup> May	CC	Gloucester^ 10k	Anne Wilson (BTL)
May (tbc)		Stroud Beer Race (7.2 miles)	Stroud & District AC

Nov (tbc)		<a href="#">Guy Fawkes 5 mile</a>	Tewkesbury Running Club
tbc		<i>5k race or similar</i>	

^ Dave McNamee / Norman Wilson memorial 10k

- The Fairford 10k has entries carried forward from 2020/2021 which restricts the number of 'open; entries for 2022. However, one may assume that several GlosAAA affiliated runners will be amongst those already entered.
- It was observed that, with no age restriction for the Open race series category, several junior athletes attained points at the Bourton One Mile. I propose that the rules for 2022 and onwards stipulate that athletes aged 15 and over are eligible for the Open category on the following basis:
  - UKA age restrictions prevent any under-15s taking part events beyond 6k in distance,
  - A maximum of two of the 12 races will be shorter than 6k,
  - At least five events must be completed to qualify for final standings,
  - Therefore, U15s cannot qualify for final race series standings.
