competitors and their supporters.

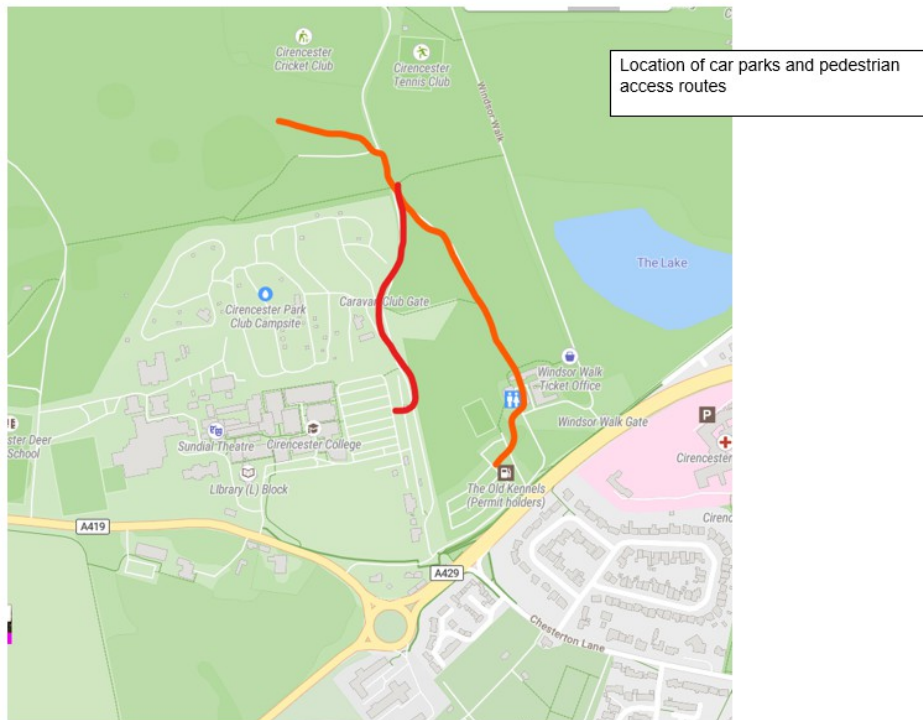

Please try to share transport; it may make access and exit easier if the U13, U15 and senior men competitors park in the College car park and U11 and senior women park in the Old Kennels. However we know that that won't work for everybody as families and teams don't work out that way so take care on the narrow roads. Parking is free.

Old Kennels Car park	GL7 1UR	cycle.drape.cemented
Cirencester College car park	GL7 1XA	dare.shelved.factored

There is a 400+m walk from either car park to the start.

Registration for those who have entered this race only is near the end of the walk; club tents will need to be carried there.

Runners who entered all four races should use one of the numbers they collected at Tinkley Gate or collect them from registration at this meeting. Collect a new number if you have lost or forgotten yours. Handwritten ones are hard for the judges to read and if on card may disintegrate in rain.

The time table is:

11:30 U13B & G approx. 3k 3 x small lap

12:00 U11B & G approx 2k 2 x small lap

12:25 U15b & G approx 4.9k 2 x large lap

12:55 SW W35+ M65+ U17W U17M approx. 6k 1 x small and 2 x large laps

13:50 SM, M35 to 60 4 x large laps approx 9.6km

Hosted by RSE

The league is entirely organised by volunteers so if you can help in any way – especially at the finish - please offer before the races start or email [gloucestershireaaa@athletics4u.co.uk](mailto:gloucestershireaaa@athletics4u.co.uk) .

Refreshments can be bought at Root and Seeds Café on the route from the Old Kennels car park to the course. Gloucester Sports maybe selling from near there.

**Note that there is no access for vehicles to carry tents to the area set aside for them.**
