Gloucestershire AAA CC League 31st October 2026 Cirencester Meeting information
Hosted by RSE

Parking is in the Old Kennels and Cirencester College car park and is free for race competitors and their supporters.

Please try to share transport; it may make access and exit easier if the U13, U15 and senior men competitors park in the College car park and U11 and senior women park in the Old Kennels. However we know that that won't work for everybody as families and teams don't work out that way so take care on the narrow roads. Parking is free.

Old Kennels Car park	GL7 1UR	cycle.drape.cemented
Cirencester College car park	GL7 1XA	dare.shelved.factored

There is a 400+m walk from either car park to the start.

Registration for those who have entered this race only is near the end of the walk; club tents will need to be carried there.

Runners who entered all four races should reuse the number bib they collected at Tinkley Gate or collect them from registration at this meeting. Collect a new number at a cost of £2.00 if you have lost or forgotten yours. Handwritten ones are hard for the judges to read and if on card may disintegrate in rain and have no chip.

Race 1 only bibs will not function as you cross the line so you will not be recorded. We will also check at the start as they are a different colour.

The time table is:

11:30 - U12B & G; approx 2k - 2 x small lap

12:00- U14 B & G; approx 3k - 3x small lap

12:25 - U16B & G; approx 4.9k - 2 x large lap

12:55 SW, W20, W35+,M65+,U18W, U18M approx 6km ,- 1 x small , 2 x large laps

13:50 - Senior M, M20, M35 to 60 approx 9.6km - 4 x large laps

Gloucestershire AAA CC League 31st October 2026 Cirencester Meeting information
Hosted by RSE

The league is entirely organised by volunteers so if you can help in any way – especially at the finish - please offer before the races start or email gloucestershireaaa@athletics4u.co.uk .

Refreshments can be bought at Root and Seeds Café on the route from the Old Kennels car park to the course. Gloucester Sports will be selling near the start.

Note that there is no access for vehicles to carry tents to the area set aside for them.
